

## **DOs AND DON'TS WHILE FILING ONLINE APPLICATIONS**

### **Dos**

- 1. Go through the scheme guide lines, procedure, model filled in application, etc before filing on the application.***
- 2. For your convenience, if necessary, take printout of the online blank application format and fill the application. Use this application to apply online.***
- 3. Ensure to keep scanned copy of documents in jpeg format with less than 50KB.***
- 4. Note down the reference number after making entry of entrepreneur details before proceeding further.***
- 5. Keep copy of filed application generated as pdf after filing, with you for future reference.***

### **DON'TS**

- 1. Don't get deceived by intermediaries***
- 2. Don't hesitate to contact DIC through phone or in person to clear doubts***
- 3. Don't enter false information / data while filling up on line application***
- 4. Don't file the application under this scheme by hiding information when you have already availed loan under other government schemes***
