ABSTRACT

Subsidies - Generator Subsidy to all Micro, Small and Medium Enterprises -
Introduction of - Orders Issued.

Micro, Small and Medium Enterprises (D2) Department

G.O.Ms.No. 27

Dated: 21.05.2009

Read:

4. From the Industries Commissioner and Director of Industries and Commerce Letter Rc.No.7599/LC3/08 dated 18.11.08.
5. From the Industries Commissioner and Director of Industries and Commerce DO Letter Rc.No.7599/LC3/08 dated 18.11.08

ORDER:

The SSI units in Tamil Nadu were eligible for sanction of subsidy vide
Government orders first and second read above prior to and after the introduction
of New Anna Marumalarchi Thittam except for conventional and resource based and
power intensive units. *" was available to SSI units for the brand new equipments
purchased from the manufacturers or dealer accredited by the manufacturers. The
unit holder should obtain permission of the TNEB for the installation of new
Generator sets to avail the Generator Subsidy.

2. In the Micro, Small and Medium Industries Policy announced by the
Hon'ble Chief Minister on 22.2.2008 and approved in the Government Order third
read above, the concession hitherto available for SSI units for availing Generator
subsidy was not included in the package of incentive for Micro, Small and Medium
Enterprises sector.

3. In the review meeting held under the chairmanship of the Hon'ble Chief
Minister on 7.11.08 on the power situation in the State and the announcement
made by the Minister (Finance) thereon it was decided that for purchase of
generator sets upto 125 KVA capacity, small industries will be provided a subsidy of
25% of the cost, subject to a ceiling of Rs.1.5 lakhs. The General Managers, District
Industries Centre will sanction and disburse the subsidy.

4. To give effect to the above decision, the Industries Commissioner and
Director of Industries and Commerce sent proposals alongwith guidelines for
implementation of the scheme of generator subsidy to all Micro, Small and Medium Enterprises. He has stated that as per the announcement of the Hon'ble Minister (Finance) in the review meeting referred to above, Generator subsidy at 25% of the cost of Generator upto 125 KVA capacity, subject to a maximum of Rs.1.50 lakhs would be eligible to Micro, Small and Medium Enterprises.

5. After careful examination of the proposal of the Industries Commissioner and Director of Industries and Commerce sent in the letters fourth and fifth read above, the Government have decided to introduce Generator subsidy to all Micro, Small and Medium Enterprises in the State at the rate of 25% of the cost of Generator sets and upto 125 KVA capacity subject to a ceiling of Rs.1.50 lakhs.

6. Accordingly, they direct that all the Micro, Small and Medium Enterprises in the State which purchase generator sets with 125 KVA capacity be eligible for the generator subsidy at 25% of the cost of the generators subject to a maximum of Rs.1.50 lakhs as per the guidelines appended to this Order.

7. This order issues with the concurrence of Finance Department vide its UO No. 9/SS(AP)/09 dated 04.02.2009.

/FORWARDED BY ORDER/

SECTION OFFICER
GUIDELINES TO BE ADOPTED FOR IMPLEMENTATION OF THE
SCHEME OF GENERATOR SUBSIDY TO ALL MICRO, SMALL AND
MEDIUM ENTERPRISES.

1. Scheme:
Generator Subsidy may be sanctioned as an incentive to all Micro, Small and Medium Manufacturing Enterprises in the State for the purchase of Generator set up to the capacity of 125 KVA. The purpose of the scheme is to promote the captive power generation of new and existing MSMEs anywhere in the State irrespective of the backwardness or otherwise of the block and irrespective of the activities whether they are negative or otherwise.

2. Quantum of subsidy:
25% of the cost of Generator set up to the capacity of 125 KVA purchased by all new & existing Micro, Small and Medium manufacturing enterprises for their captive power generation subject to the maximum limit of Rs. 1.50 lakhs.

3. Terms and conditions:
1. Subsidy will be available only for brand new equipments.
2. Safety certificate from the Department of Electrical Inspectorate should be obtained for installation of new Generator set at the factory premises.
3. Generator set should be purchased from the Manufacturer directly or from the Dealer accredited by the manufacturer.
4. The unit should have obtained valid Entrepreneur Memorandum (Part II).

4. Eligible units:
All LT/HT power consuming Micro, Small and Medium manufacturing enterprises set up anywhere in the State which have purchased and installed Generator set up to the capacity of 125 KVA.

5. Eligibility of accessories for subsidy
All accessories required for erection and functioning of the Generator set may be treated as one unit for the purpose of computing the generator subsidy. The
loading, unloading, packaging and erection charges may not be considered for subsidy.

6. **Time limit for submission of subsidy application**

Application for generator subsidy should be filed to the General Manager, DIC of respective Districts within six months from the date of purchase of the generator set or date of installation of the generator set i.e. the date of issue of safety certificate by Electrical Inspectorate Department, whichever is later.

7. **Release of subsidy**

The subsidy granted shall be released on sanction by the General Manager concerned to the financial institutions only, in case of term loan facility availed by the MSMC's. In respect of self-financed enterprises, the subsidy shall be directly released to the enterprises.

8. **Replacement of old Generator set by new one**

New Generator set purchased for replacement of old generator or to have additional capacity is also eligible for subsidy. However, this should be limited to the proportionate cost of the excess capacity of the new generator set over and above the capacity of the replaced old generator set.
